DESIGNING AGILE ORGANIZATIONS

13-14 MARCH 2019 | DUBAI

Accredited by...

And recognized by...

DELIVERED BY OD THOUGHT LEADER
AND AUTHOR RICHARD THAYER

The only certified MasterClass dedicated to Organization Agility in the region and run by one of the world's foremost experts.

WHO

WHO SHOULD ATTEND?

Leaders, executives, managers and organizational change agents who want to build agility into their organizations and have the desire to drive effective organizational design that encourages high performance and adaptability to changing circumstances.

All corporate leaders, department heads, and managers of HR, strategy & performance, org. development, org. excellence and other relevant functions.

WHAT

ABOUT THE TRAINING

This is a unique course that focuses on building capabilities in designing agile organizations through a hands-on practical session with a prominent thought leader on the subject. It will help build advanced skills in organization design and agility and provide a practical toolkit that covers the true drivers of organizational agility.

WHY

KEY BENEFITS

- Understand the key competencies and principles of organizational agility
- Use a whole systems approach to designing agile organizations
- Learn how to overcome common barriers and pitfalls to agility
- Conduct real life case studies and develop agile organization designs
- Gain certification in org. design endorsed by Richard Thayer
