OUR PROGRAMS

Experiential learning experiences with a sharp focus on practical application and tangible impact

WHO WE ARE

The Caliber Academy is the capability building arm of Caliber Consulting. It is an elite organization focused on sustainably upskilling employees in strategic competencies needed for effective strategy execution. The academy differentiates itself in five vital ways.

1. Thought Leadership: Caliber Academy's programs are injected with cutting edge thought leadership through partnership with some of the leading management thinkers in the world. These thought leaders are often amongst the top 50 management thinkers globally and are always involved in our programs either in delivery or design.

2. Focus on the Practical: Our programs and master classes transcend theory and are designed and delivered to drive concrete results. Thus, programs will heavily incorporate practical client examples, application exercises, and experiential learning.

3. Network with the Best: Another key dimension of learning comes from the learning gained from peers. Our programs always comprise of senior leaders and practitioners from some of the most pioneering organization globally; thus enhancing the networking opportunities and learning experience.

4. Niche Areas: The academy has a very focused portfolio of programs in which they deliver. These are often niche areas in the fields of Strategy, Organization Design, and People & Culture. Our programs address business priority areas in the aforementioned fields that are often the most misunderstood and complex to tackle.
